Dear

Autumn is the perfect time of the year to reflect on God's blessings. The labor we invested this past spring and summer are hopefully about to reap a bountiful harvest. This is the time to reflect on God's generosity in every aspect of our lives.

Autumn is also a time to reflect on our accomplishments of the previous year. The parish has once again kept our church and grounds in excellent condition. While Sacred Heart's main goal is salvation and eternal life for our members, we do require tangible resources to maintain our parish grounds.

Hopefully God has been good to you and yours this past year. In the spirit of sharing time, talent, and treasure, we humbly ask for your assistance in the form of a donation to the Sacred Heart Endowment Fund. Currently the fund balance is \$206,952.70. The endowment fund is structured in such a manner that no assets are to be spent, but rather invested, and the earnings of the investments are given to the parish at the end of the year (the principal can be used in case of emergency.) For the calendar year of 2018, we are proud to have turned \$2,574.32 over to the parish and will be turning over our 2019 earnings at the end of the year.

Thank you for considering to donating to our fund. With your help we will continue to assure the health and vitality of Sacred Heart Parish. Hopefully our ancestors will be proud of our efforts.

The website for Sacred Heart Parish (www.sacredheartpf.com), will provide you with the information on the various ways you can give to the endowment fund. Also provided, for your convenience is a return envelope should you decide to give a monetary gift. Your tax-deductible gift will go a long way to achieve our goal of "Saving Today for a Stronger Tomorrow". If you know of someone who would like to hear from the Endowment Fund, add their name and address on the enclosed form and return it in the envelope.

Thank you for your support.
