He is Alive! | Laugh and Grow Bible for Kids: Why can we have hope? Because we know how the story ends . . . with the most incredible miracle ever! Follow along and experience the joy of Jesus' friends as they discover He defeated death and rose from the grave.

Am I Saved? | The Search | Episode 6: What Jesus did for us through his life, death and resurrection was the greatest act of love in history. He saved us. He did this for each one of us. Personally. But some might feel unworthy of this gift of love. We may feel we have too much baggage. We may feel unlovable. But God didn't come to reveal himself to us on a pedestal, he came to enter into our messy human condition. To fix us from within. To transform us from the inside out. Some might be surprised by how generous the love of God really is. We don't deserve God's love, but that's the amazing reality of God's mercy. This relationship with God isn't all about our love for Him. It's about His love for us that changes our lives forever.

Joyous Easter!

If then you were raised with Christ, seek what is above, where Christ is seated at the right hand of God. Think of what is above, not of what is on earth. For you have died, and your life is hidden with Christ in God. When Christ your life appears, then you too will appear with him in glory.

Colossians 3:1-4

Today we celebrate the Resurrection of Christ! Through his Resurrection, the gates of heaven were opened so one day we will rise with Christ in eternal life. Share the joy of Easter all year long, giving God thanks by the way you live and respond to him each day.

Don't sign your rights and freedom away by signing an abortion initiative petition that would alter Missouri's Constitution!

Don't let lobbying groups and out-of-state special interests inject abortion politics where it doesn't belong and where it isn't wanted.

This petition goes too far for Missouri!

This extreme initiative petition could:

- Legalize abortion as a method of birth control and abortion after a baby can survive outside the womb.
- Allow abortion clinics in your neighborhood – even near schools and churches.
- Give power to judges and the government to force Missouri taxpayers to fund abortions.
- Permit governmental intrusion in health care decisions made by parents with their children.

Don't be fooled! Signature collectors might tell you that it's for "women's health" or "reproductive rights" or "to restore Roe"—or that it's "pro-life" or "pro-choice"—or say *anything* to get you to sign. **Don't believe them!**

DECLINE TO SIGN any petition that lets lobbying groups and the government take away your rights and freedom! Tell family, friends, neighbors, coworkers and everybody to **DECLINE TO SIGN**.
The future of Missouri is counting on you!

For more information on Decline to Sign, contact Missouri Stands with Women at mostandswithwomen.org
