Saint Rita: St. Rita of Cascia is immortalized in this wonderful, deeply moving film. This story is about the brave woman who married her knight, helped him overcome his dark past and convert to faith, happily bore him two children, and later endures immense pain as she loses everything in her life. Saint Rita of Cascia: The True Story: A compelling docu-drama that tells the whole story of the amazing life of St. Rita of Cascia, the very popular saint who lived in Italy in the 14th century. Famous as the patroness of hopeless situations, St. Rita dealt with many very difficult and tragic events in her life. Through it all she developed a profound faith in God that was the source of her great strength, and why she is such a popular saint for all those dealing with difficult events in their own lives.
