The New Eve | Lectio: Mary | Episode 1: The Book of Genesis begins with the story of Adam and Eve, whose sin of disobedience breaks their relationship with God. God does not abandon his people, but gradually prepares them for the coming of his Son, Jesus Christ. Jesus, the promised “seed” of Genesis 3:15 is the “New Adam,” and his mother, the promised “woman,” is the “New Eve.”

Clare and Francis: This outstanding movie is unique among films about St. Francis because of the historical accuracy of the story and its authentic spirit of joy and piety so characteristic of Francis, as well as the major role played by Clare. Both founded major religious orders, and together they inspired many to follow their radical call to live the Gospel.
